Employee Spotlight

YUMA Nursing Center would like to welcome Barbara Hedges to our team as the new Director of Nursing. Working across much of the northwestern part of the U.S. in Wyoming, Idaho, Oregon, Washington, and California, Barbara brings nearly 30 years of administrative experience.

Barbara has a solid commitment to her profession. Her philosophy is to treat everyone like family.

Speaking of family, Barbara and her husband have five adult children, 12 grandchildren, and two dogs.

She and her husband enjoy many activities, including anything outdoors, riding the side x side and visiting family and friends.

Barbara has an open-door policy and looks forward to meeting you.

When you have a moment, please stop by her office and say hello!

Due to the increase in flu and COVID-19 cases in our community, for all events inside the building, masks are required.

THANK YOU!
