

ASSISTED LIVING

Assisted Living Services

Private or semi-private rooms are available for our community of Assisted Living neighbors. Here, you are free to live life as you always have – but when you need extra help, we'll be there to lend a hand.

Assisted Living Staff

We understand how important it is to have the right caregiver. That is why our Assisted Living staff are friendly, professional and knowledgeable of our neighbors' medical needs. In fact, we create a custom care plan for every Assisted Living neighbor at The Country Place. We also have a licensed nurse on staff who is available 24 hours a day – as well as a registered dietitian. You can rest assured that you will be well cared for.

Services Include:

- » Three balanced meals a day
- » Private laundry service
- » On-site medical services from skilled caregivers
- » Emergency medical alert system
- » Daily in-room medication distribution and assistance
- » On-site pharmacy and therapy services (OT, PT, Speech)
- » Transportation services
- » Exercise area, including outdoor patio and walking path

ASSISTED LIVING

Assisted Living Amenities

Enjoy Assisted Living with all the comforts of home. Our amenities remove the burden of household chores while delivering the VIP treatment each and every day.

Here is everything you can expect as our neighbor:

- » Three meals a day, seven days a week
- » Private dining available to residents for entertaining friends and family
- » Entertainment and social areas
- » Wi-Fi availability
- » Secure and safe environment
- » Daily social enrichment programs
- » Restaurant-style dining
- » Beauty and barber services
- » Private laundry service
- » Programs with local churches
- » Cable provided
- » Close proximity to ambulance services

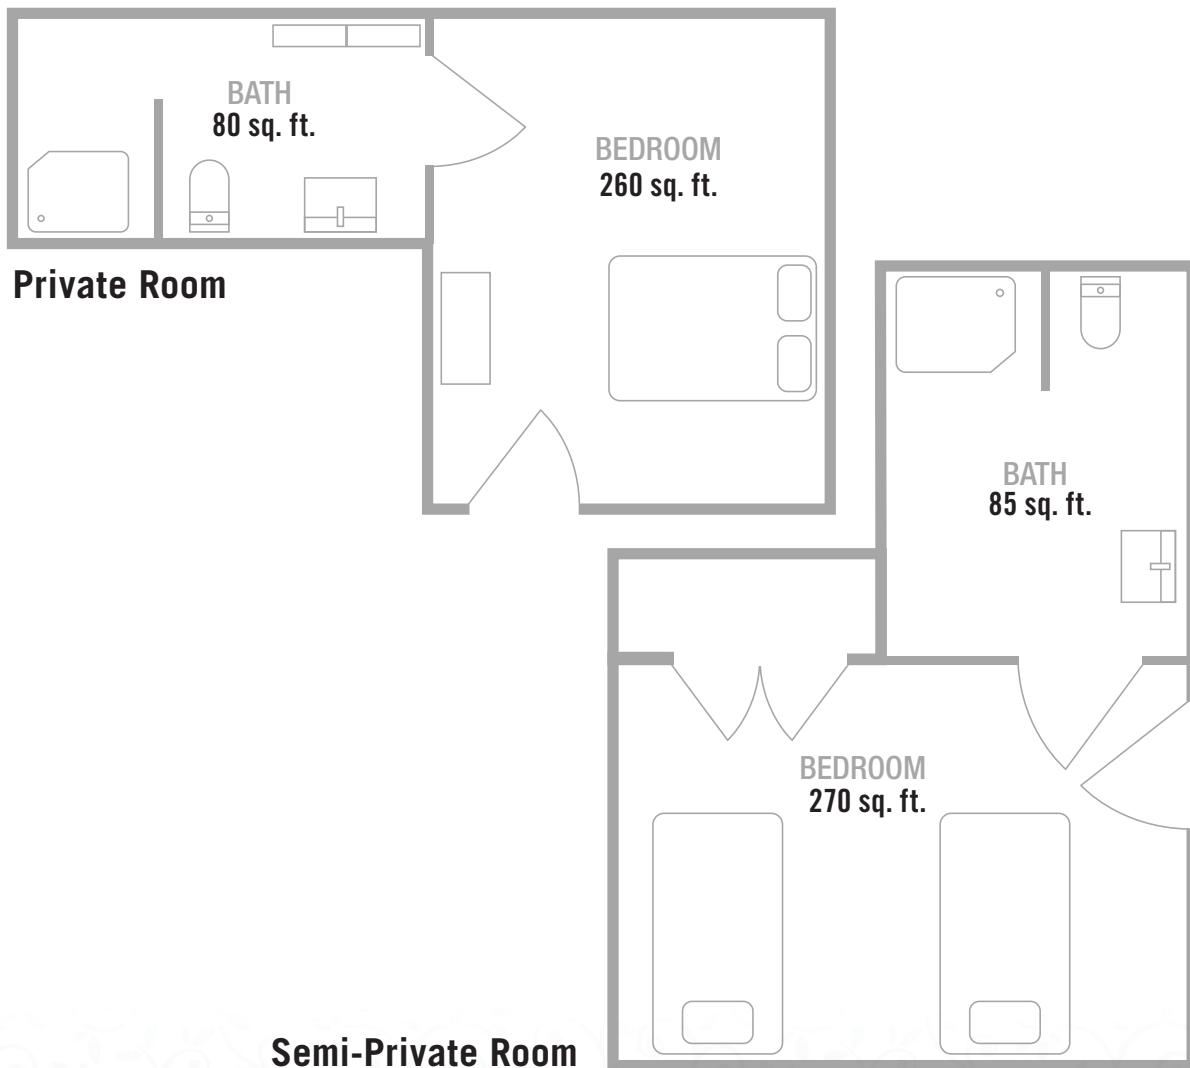

ASSISTED LIVING

Assisted Living Floor Plans

Available in private and semi-private options, our floor plans are designed for those with hampered mobility. Distances between the bedroom and restroom are shorter and there is always an emergency medical alert device within reach.

ASSISTED LIVING

Assisted Living Unit Features

Each room in our Assisted Living community is designed for safety, comfort and convenience.

Every unit includes the following features:

- » Private and semi-private accommodations, with private baths
- » Flat screen TV
- » Furniture provided, but neighbors can bring in personal items
- » Walk-in shower
- » Phone hookup
- » Individually controlled heating & AC
- » Smoke and heat detectors
- » Safety handrails in tub/shower
